

St. Albans & District Model Engineering Society

Club Exhibition Entry Form

This entry form is quite short but we do need to ask for some detailed information to ensure that we have enough space allocated at the exhibition and we can produce an information card to tell the public what they are looking at. We produce information cards for each exhibit based on the information you supply so please try to provide some interesting information about your exhibit on this form. If possible we would also like a photograph of your exhibit with the entry form.

Please use a SEPARATE FORM for each entry and send it, preferably by email, to Guy Keen at secretary@stalbanmes.com

Your Name

Phone

Email

What is your Exhibit?

Type of Exhibit

Marine

Locomotive

Road Vehicle

Other

Details:

Who built the exhibit?

Approx. Length

Width

Height

Weight

Please supply a digital photograph by email. If not, is a print available to be scanned? Y/N

WHAT OTHER INFORMATION WOULD YOU LIKE PUT ON THE EXHIBIT INFORMATION CARD?
(e.g. original designer, scale, gauge, method of construction, interesting features, etc)
